# Student Loan Savings From Day One

Did you know that **National University** is a qualifying employer for the Public Service Loan Forgiveness (PSLF) program?

## How to Qualify for Public Service Loan Forgiveness:

- Work at a government organization or non-profit - **like National University!**
- Have Direct loans (Savi can help you identify your loan type!)
- Pay your loans on an Income-Driven Repayment plan

Once you've made 120 payments on your loans that meet those requirements, you'll qualify for full forgiveness of your remaining balance, including interest!

## How Savi Can Help:

*Navigating student loans can be time-consuming and complicated, so **National University** has teamed up with Savi to provide a student loan benefit.*

- Discover which repayment and forgiveness programs you qualify for based on your personal loan profile.
- Sync your federal and private loans securely and let Savi guide you through the enrollment process.
- Stay informed about the latest changes to federal and state student loan policies so you never miss an opportunity.
- NU employees save an average of \$249/month and have an average of \$80k in projected forgiveness with Savi
