Hi, I'm Sam Birrell, your local Federal Member for Nicholls and proud partner of the Seymour Lions Football and Netball Club. It was fantastic to meet with many members last year when I pulled on the boots for the Lions at a training session as part of my mission to train with all 44 football and netball clubs in our region

Training with your club allows me to hear firsthand what matters to locals and keep up to date about important updates in your community.

It has also helped me advocate to governments on all levels to assist clubs with facility upgrades. Many grassroots sporting organisations are ageing and in need of assistance to ensure everyone has access to the facilities needed to play the game we love.

I'm looking forward to heading back to the den again soon and I want to wish players and members the very best for season 2026.

Please don't hesitate to reach out if my office can assist you with Federal Government matters.
