Kristin Rocke

OWNER/INTERIOR DESIGNER, K. ROCKE DESIGN

Celebrated interior designer Kristin Rocke is known for creating unparalleled design and beautiful, livable spaces for clients throughout Utah, as well as nationally and internationally. "I focus on thoughtful, dynamic and client-specific projects," says Rocke. "I'm inspired by my clients, locations, and the architecture of their homes."

Kristin's extraordinary talent, global exposure and the combined 30-plus years of experience of her NCIDQ-certified design team, add up to an unwavering commitment to style. She has received multiple awards including Top Ten Interior Designers, and her work has been featured in numerous local and national publications.

Her passion for beautiful surroundings runs deep, and her dedication to clients results in outstanding customer service. "I have a deep commitment to my clients and the design execution. I work to achieve memorable results through the creative process. There's a joy of life in my projects, and I think that our built environments are a manifestation of our best selves. I believe beauty elevates the soul."

Kristin is also the owner of Glass House, a cutting-edge, Salt Lake City shop offering style-savvy customers unique items that help transform their homes into places of vision and beauty. Visit social media sites at @glasshouseslc and @krockedesign.
