K. ROCKE DESIGN
INTERIOR DESIGN

Since 2004, K. Rocke Design has built a reputation for fresh, spirited, and award-winning designs coast to coast and internationally. Designer Kristin Rocke approaches projects with a collaborative, engaged, and enthusiastic attitude. Believing that each client, project location, and the project's architecture provide a unique convergence of opportunities. Rocke's extraordinary eye, coupled with global exposure and 25 years of experienced NCIDQ-certified designers, offer an unwavering commitment to style and determination to offer timely execution and efficiency, and produce professional deliverables. K. Rocke Design tirelessly sources and creates through some of the best artisans and crafts people across the globe. We forage for inspiration and infuse our designs with one of kind originality. We believe in simply the best service, designs, and sources. Our results are as inspired as our clients
