As a member of the Shelby County Chamber of Commerce & Industry, you have access to a valuable member benefit designed to help your business grow—our local job board. This resource gives you the opportunity to connect directly with qualified candidates right here in our community. Using the Chamber job board is more than just a way to fill an open position—it is a smart and strategic way to maximize your Chamber membership. It provides your business with a targeted platform to promote employment opportunities, showcase your company culture, and connect with job seekers who are looking to invest their time and talents in local businesses. Whether you are hiring for a full-time role, part-time position, or seasonal help, the job board can help you reach the right audience quickly and effectively.

When more members take advantage of this resource, the impact goes beyond individual businesses. A stronger local workforce supports economic growth, helps retain talent in Shelby County, and strengthens the overall vitality of our communities. By hiring locally, we all play a role in building a more connected and prosperous Shelby County.

If you have an open position—or anticipate one in the near future—now is the perfect time to put this Chamber benefit to work for you. [Post your opening](#) on the Shelby County Chamber of Commerce & Industry Job Board today and connect with local talent ready to help your business thrive.

## Big Things Are Happening In Shelby County

Shelby County's economic landscape continues to thrive with a wave of exciting new business openings. This year, we also celebrate two remarkable community milestones: an area library's 20th anniversary at its current facility, and a cherished legacy business commemorating its 100th year in operation.

**Ribbon Cutting, Thursday, June 4, 5 pm.** New Business in Elk Horn. Ærø Arts, 4105 Union Street, Elk Horn. Join us in celebrating this new business and welcoming Jody and Alissa LaCanne to Shelby County.

**Ribbon Cutting Friday, June 5, 10 am.** New business in Harlan. ARC Electric, located at 712 Market Street, Harlan. Join us in celebrating this new business and welcoming Rees Christensen and his staff to Shelby County.

**Ribbon Cutting/Open House. Saturday, June 6, 10 am.** Join the Lied Irwin Public Library, 509 Ann Street, Irwin, for a festive open house and ribbon cutting as they celebrate 20 wonderful years in our current building, generously gifted by the Lied family and honor our country's 250th anniversary. Come celebrate two decades of connection, community, and history.

**Ribbon Cutting. Tuesday, August 4, 10 am.** Celebrate a century of local heritage with Bauer's Shoe Store! Join us for a special ribbon-cutting at 1102 6th Street in Harlan as we proudly honor 100 years of stepping alongside our wonderful community.
