

Chamber Member Benefit: Your Online Business Directory Listing

Did you know that as a member of the Shelby County Chamber of Commerce & Industry, you are listed in the Chamber's online [membership directory](#)? The information you provided in your original application to the Chamber is used to create your listing. Along with this information, each business appears in five (5) interest categories that correspond to your business type. When was the last time you looked at your listing to verify accuracy? When was the last time you checked to see what interest categories you have within your online directory listing? Maximizing your listing is essential. It helps potential customers find you easier.

As a member of the Shelby County Chamber of Commerce & Industry, you have been assigned a unique username and password that allows you access to your membership information. You can sign-in to the website under the "Member's Area" and review the information listed for you. If you don't know or do not remember your username and password, call the Chamber office, 712-755-2114, and we will send you an email to reset it.

Ask yourself:

- Are my listings and contact information current?
- Do my listings allow the public and other members to easily find me?
- Do my listings reflect the core of my business products and services?
- Have I included setup of my Marketing Landing Page to provide additional information to my potential customer base?

If you notice that your listing needs updated, now is a great time to make changes. Or, if you do not have your Marketing Landing Page setup and would like to get started, please give us a call and we would be happy to help.

Visit the [online directory](#) and check your listing to make sure it properly reflects your business or organization.

Marketing Landing Pages and Member Directory listings are provided to you at no charge and are a primary benefit of your membership. In addition to reaching potential customers, you can use your membership listing to offer unique sales opportunities or coupons, to tie your social media pages and postings directly to your membership listing, and to highlight your businesses involvement with the community through work or sponsorship of non-profits in the area. Remember, we also offer the Chamber Events Calendar to keep the public updated on all the local events and offerings taking place in Shelby County. Members are welcome and encouraged to list their upcoming events and programs, all at no charge.

Remember, time is money. Take full advantage of this member benefit. It's a great way to engage with others without leaving the office.

If you would like more information, contact the Chamber at 712-755-2114 or [email Carol](#).
