

On Thursday 3rd April the whole school took part in a community litter pick around Bolsover in partnership with The Freedom Charity and BVCS. All pupils did a wonderful job in upholding and demonstrating our school values whilst helping our environment. Well done!

The BVCS were extremely grateful for all of the students wonderful work and they provided them with snacks and drinks at The Freedom Charities brand new cafe and hub to celebrate a job well done.

Whilst completing the job pupils in Pioneers class said, "I like cleaning the environment - its important", "I'm saving the animals", "Using litter pickers is fun", "I'm really good at picking up small things", "People are so messy"
