**SABA NORTH AMERICA CONGRATULATES SOUTH ASIAN AMERICANS ELECTED TO PUBLIC OFFICE**

**November 6, 2026**

**FOR IMMEDIATE RELEASE**

SABA North America congratulates all South Asian Americans elected to public office across the political spectrum. It is inspiring to see members of our diverse community continuing to step forward, participate in our democratic institutions, and dedicate themselves to public service.

We celebrate this growing civic engagement through our shared belief in the importance of participation, representation, and service. South Asian Americans bring different experiences, beliefs and political perspectives to public life, and that diversity should be welcomed and celebrated.

SABA North America looks forward to engaging constructively with elected officials of all political affiliations on laws and legal issues affecting our community.
