

BUSINESS PROFILE PAGE WEBSITE

FDC Media

We've discontinued the BPP program and are pleased to offer an upgrade to a standalone website that gives your business a professional online presence without the cost of a full custom website.

Sample Site

Sales representatives should submit 1–3 preferred domain names, and our web team will register the first available option. If none of the requested domains are available, we'll work with you to find an alternative.

BUSINESS PROFILE PAGE WEBSITE

FDC Media

Important Things to Know:

This website is designed as a simple online business profile, similar to what customers would find on your Business Profile.

Because it is a template website:

- It is intended for existing Business Profile Page customers only
- No ongoing edits, updates, maintenance, or content changes are included
- Additional functionality, custom pages, or redesigns are not available under this package

PRICING:

\$200 SETUP FEE

\$30 MONTHLY FEE
