GENERAL PRICE LIST

These prices are effective as of July 1, 2025, but thereafter are subject to change without notice.

The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

This price list does not include prices for certain items that you may ask us to buy for you, such as cemetery services, certified death certificates, flowers, newspaper notices, honorariums to ministers, musicians, or vocalist, police escorts, etc. These items are goods and services that we purchase from third parties on your behalf. Warford-Overstreet Mortuary can provide a family with an estimate of what these charges may be, but we cannot guarantee other third-party business entities' prices. The prices for those items will be shown on the statement describing the funeral goods and services you selected as cash advance items.

METHOD OF PAYMENT AND PAYMENT POLICY

Warford-Overstreet Mortuary realizes that funeral expenses associated with the passing of a loved one can be expensive and often unexpected. We also realize the financial hardship that can occur for families. We hope that you realize that finances are an integral part of any business and not just the funeral industry. Payment in full for goods and services selected are expected to be paid at the conclusion of the funeral arrangement conference, or at least, seventy-two (72) hours prior to the funeral service.

- 1) Our company policy on payment is outlined below.
- 2) For the convenience of the families we serve, Warford-Overstreet Mortuary will accept cash, check, all major credit cards (Visa, MasterCard, Discover, and American Express) for full payment of the funeral bill. A three percent (3%) credit card fee will be incurred with this use of payment.
- 3) Insurance assignment(s) will be accepted as partial or full payment of the funeral bill. The insurance must be verifiable and have been in force for a minimum of two (2) years. No interest is charged on the insurance assigned to the funeral home. However, due to the time required to manage the paperwork and its processes, and the typical payment response time by insurance companies of thirty (30) days or more, a three percent (3%) fee will be incurred or \$100.00 minimum, whichever is greater.
- 4) Pre-paid or pre-need funeral plans will be accepted, and any unpaid balance is due at the conclusion of the funeral arrangement conference, or 48 hours prior to the funeral service.
- 5) In cases where the deceased's estate must stand for paying the final funeral expenses, we ask that a family member pay the funeral expenses by one of the methods listed above and file their claim for reimbursement with the deceased estate.
- 6) Cash advance monies are due at the conclusion of the funeral arrangement conference. Warford-Overstreet Mortuary is not a lending agency. However, we will pay cash advances for the convenience of our families and add them to the funeral bill.
- 7) Warford-Overstreet Mortuary will not deny funeral services to anyone and will work with families to provide goods and services within their budget. Warford-Overstreet Mortuary is not a financial institution and does not provide financing for the goods and services we offer. If financial arrangements other than those mentioned above must be made, please feel free to discuss them with the funeral director prior to the conclusion of making final arrangements.

PROFESSIONAL SERVICES

These prices are effective as of July 1, 2025, but thereafter are subject to change without notice.

Basic Services of Funeral Director and Staff **\$2,295.00**

Our fee for the services of funeral director and staff includes, but is not limited to, having staff and personnel available 24 hours a day, 365 days a year to respond to the initial call for service, funeral arrangement conference with families, or responsible parties, arrangement of funeral, preparation and filing of necessary authorizations and permits, recording vital statistics, preparation and placement of newspaper notices, and coordination with those providing other portions of the funeral, for example, cemetery, crematory, vault companies, and others as required. Also included in the charges are overhead expenses relative to our facility such as insurance, maintenance, utility expenses, administrative assistant, auditing, accounting, general administrative costs, equipment, and inventory expenses.

This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. *(This fee, on a pro rata basis, is already included in our charges for direct cremations, immediate burials and forwarding or receiving remains).*

Embalming is a chemical process which provides temporary preservation of the body and helps to eliminate health hazards. Therefore, it is a policy of this funeral home that remains be embalmed or refrigerated if held over twenty-four (24) hours after death.
