Island Transit Bus Service is Fare Free

Island Transit does not charge a fare to ride its buses. That makes it easy to ride with us! Island Transit service is primarily funded through voter-approved sales tax of 9/10's of one-percent. That means that for every \$10 taxable purchase in Island County, 9 cents in sales tax is collected for Island Transit service. State and federal funds also help pay for our bus service.

What type of service does Island Transit provide?

- Fixed route bus service described in this service guide
- Paratransit service
- County connector service
- RideshareVanpool
- On Demand

Paratransit Service

To accommodate persons with disabilities who may have difficulty riding the bus, Island Transit operates a system of paratransit buses. To find out if you might be eligible for paratransit service, please go to the Island Transit website or call 360-678-7771.

REASONABLE MODIFICATION

Island Transit provides reasonable modification of policy and practice upon request to ensure that our services are accessible to registered persons with disabilities. Please contact Island Transit for more information.

Scheduled Changes

During adverse weather conditions such as snow, power outages, windstorms, load limits, and more, Island Transit may be required to detour, suspend, or cancel bus services. Riders will be kept informed during these service disruptions on the website, through a news e-alert, and via social media. In some cases, schedules may also be impacted by road closures, ferry service delays, and accidents. Please allow for extra travel time and we thank you for your patience.

Flag Stops

WHAT IS A FLAG STOP?

A flag stop is when a rider boards the bus at a location that is not an established bus stop with a posted bus stop sign. Flagging the bus down is an option only in certain areas.

HOW DO I FLAG A BUS?

As the bus approaches, raise and lower your arm over your head several times to catch the driver's attention. Be sure to stay back from the edge of the road to allow the bus enough room to pull off. During dark or foggy weather we suggest you have a flashlight you can wave for the driver to see you.

Express Routes

Express Routes do not perform flag stops within the defined route.

Lost & Found

If you believe you have left a personal belonging on the bus, please contact our office at 360-678-7771, Monday-Friday, 8am-4pm. We will check to see if the item described has been turned in. If an item has been found, arrangements will be made for pick up at Island Transit's offices located at 19758 SR 20, Coupeville, WA 98239.

Island Transit is not responsible for items lost or left behind on buses, any items that are found or turned in will be kept for a maximum of 60 days with the exception of illegal drugs, alcohol, and perishable food items.

Policies & Procedures

DO:

Please remove children from strollers and collapse the stroller prior to entering the bus. All children six years of age and under must be accompanied by an adult or guardian. Shirt and shoes required. Please be courteous to other passengers.

DON'T:

No smoking within 25 feet of Island Transit property. No food or drink on the bus (drinks in closed lid containers are allowed). No loud music (if it is audible from earphones – it is too loud). No disruptive behaviors. Do not carry more packages than manageable in one trip.

Pets/ Service Animals

The Americans with Disabilities Act (ADA) defines a service animal as dogs that are individually trained to do work or perform tasks for people with disabilities. Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA.

Service animals are welcome on all our buses.

When it is not obvious what service an animal provides, only limited inquiries are allowed.

Staff may ask two questions: (1) is the dog a service animal required because of a disability, and (2) what work or task the dog has been trained to perform. Staff cannot ask about the person's disability, require medical documentation, require a special identification card or training documentation for the dog, or ask that the dog demonstrate its ability to perform the work or task.

Service animals must be harnessed, leashed, or tethered, unless these devices interfere with the service animal's work or the individual's disability prevents using these devices. In that case, the individual must maintain control of the animal through voice, signal, or other effective controls.

Service animals, regardless of training or certification, may be denied transportation if the animal is out of control or if the animal's behavior poses a direct threat to the health or safety of others.

Non-Service Animal: Pets and non-service animals are allowed on the buses with the following rules: Pets may ride if they are placed in a small carrier or container. Riders bringing a pet onboard are responsible for the animal and will be held liable for the behavior and action of the animal. If transferring to a transit system outside of the Island Transit service areas - please review their pet policy before traveling. Animals, insects, or reptiles known to be poisonous are not allowed under any circumstances.

Comfort and Emotional Support Animals: Comfort and emotional support animals do not meet the definition of a service animal under state and federal guidelines. Animals other than dogs who are not working service animals, must be in a pet carrier or container.

For more information regarding traveling with a service animal, visit the following Federal Transit Administration – FTA Website: [Frequently Asked Questions](#) | [FTA \(dot.gov\)](#)

Audio/Video Cameras

All transit vehicles are equipped with audio and video cameras.
