Selecciona, en el mapa, tu ubicación específica o la ruta que planeas tomar. Los horarios pueden variar dependiendo de la región o ruta.

On-Demand “No-Show” Policy

Island Transit requires all passengers to cancel previously scheduled On-Demand trips at least one (1) hour prior to the scheduled pick-up time to prevent being considered a “no-show”. This policy is designed to discourage actions that cause inconvenience to other passengers and reduce the efficiency of the service. Each leg of a trip is considered a separate trip and must be canceled by the passenger to avoid two no-shows. Five (5) no-shows within a rolling thirty (30) days of each other without proper cancellation will result in a sixty (60) day suspension from On-Demand services (fixed route services may still be utilized while suspended from On-Demand services). Each subsequent five (5) no-shows will again result in a sixty (60) day suspension.

Passengers that no-show will not be allowed to rebook a trip the same day either by call-in or via the app.

Island Transit will send the passenger a warning after the third confirmed no-show. After the fifth no-show, a suspension letter will be issued to the passenger stating dates of suspension, dates of no-shows from which the suspension resulted, and instructions about how to file an appeal of the suspension. Exceptions to no-shows are considered on a case-by-case basis.

In accordance with the policy of On-Demand services, if Island Transit arrives outside the 10-minute pick-up window and the passenger does not board, the trip will not be counted as a no-show.

A suspension may be appealed in writing or in person by appointment. Appeals shall be overturned only if the information that the suspension is based upon is incorrect. All decisions will be made in writing and a copy placed in the passenger's file.

Individuals wishing to appeal a suspension may contact:
Operations Manager
Island Transit

Coupeville WA 98239

Política de “no presentación” bajo demanda

Island Transit requiere que todos los pasajeros cancelen los viajes On Demand previamente programados al menos una (1) hora antes de la hora de recogida programada para evitar que se considere una “no presentación”. Esta política está diseñada para desalentar acciones que causen molestias a otros pasajeros y reduzcan la eficiencia del servicio. Cada tramo de un viaje se considera un viaje separado y el pasajero debe cancelarlo para evitar dos no presentarse. Cinco (5) no presentaciones dentro de un período consecutivo de treinta (30) días entre sí sin la cancelación adecuada resultarán en una suspensión de sesenta (60) días de los servicios On Demand (los servicios de ruta fija aún se pueden utilizar mientras estén suspendidos de los servicios On Demand). Cada cinco (5) inasistencias posteriores resultará nuevamente en una suspensión de sesenta (60) días.

Los pasajeros que no se presenten no podrán volver a reservar un viaje el mismo día, ya sea llamando o mediante la aplicación.

Island Transit enviará al pasajero una advertencia después de la tercera ausencia confirmada. Después de la quinta ausencia, se enviará una carta de suspensión al pasajero indicando las fechas de suspensión, las fechas de las ausencias que dieron lugar a la suspensión y las instrucciones sobre cómo presentar una apelación de la suspensión. Las excepciones a las no presentaciones se consideran caso por caso.

De acuerdo con la política de servicios On Demand, si Island Transit llega fuera del período de recogida de 10 minutos y el pasajero no aborda, el viaje no se contará como una no presentación.

Una suspensión podrá apelarse por escrito o personalmente mediante cita previa. Las apelaciones serán revocadas sólo si la información en que se basa la suspensión es incorrecta. Todas las decisiones se tomarán por escrito y se colocará una copia en el expediente del pasajero.

Las personas que deseen apelar una suspensión pueden comunicarse con:

Island Transit Bus Service is Fare Free

Island Transit does not charge a fare to ride its buses. That makes it easy to ride with us! Island Transit service is primarily funded through voter-approved sales tax of 9/10's of one-percent. That means that for every \$10 taxable purchase in Island County, 9 cents in sales tax is collected for Island Transit service. State and federal funds also help pay for our bus service.

What type of service does Island Transit provide?

- Fixed route bus service described in this service guide
- Paratransit service
- County connector service
- Rideshare/Vanpool
- On Demand

Paratransit Service

To accommodate persons with disabilities who may have difficulty riding the bus, Island Transit operates a system of paratransit buses. To find out if you might be eligible for paratransit service, please go to the Island Transit website or call 360-678-7771.

Reasonable Modification

Island Transit provides reasonable modification of policy and practice upon request to ensure that our services are accessible to registered persons with disabilities. Please contact Island Transit for more information.

Bike & Ride

Island Transit vehicles are equipped with bike racks, available on a first-come-first-serve basis. As the bus approaches, have your bike ready to go. Remove water bottles and any loose items which may fall off during transit. For safety reasons, the Operator may not get off the bus to assist. Bikes are only allowed inside the bus at the Operator's discretion.

Observed Holidays/No Service

- New Year's Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

Scheduled Changes

During adverse weather conditions such as snow, power outages, windstorms, load limits, and more, Island Transit may be required to detour, suspend, or cancel bus services. Riders will be kept informed during these service disruptions on the website, through a news e-alert, and via social media. In some cases, schedules may also be impacted by road closures, ferry service delays, and accidents. Please allow for extra travel time and we thank you for your patience.

Flag Stops

What is a flag stop? A flag stop is when a rider boards the bus at a location that is not an established bus stop with a posted bus stop sign. Flagging the bus down is an option only in certain areas.

How do I flag a bus? As the bus approaches, raise and lower your arm over your head several times to catch the driver's attention. Be sure to stay back from the edge of the road to allow the bus enough room to pull off. During dark or foggy weather we suggest you have a flashlight you can wave for the driver to see you.

Express Routes

Express Routes do not perform flag stops within the defined route.

Lost & Found

If you believe you have left a personal belonging on the bus, please contact our office at 360-678-7771, Monday-Friday, 8am-4pm. We will check to see if the item described has been turned in. If an item has been found, arrangements will be made for pick up at Island Transit's offices located at 19758 SR 20, Coupeville, WA 98239.

Island Transit is not responsible for items lost or left behind on buses, any items that are found or turned in will be kept for a maximum of 60 days with the exception of illegal drugs, alcohol, and perishable food items.

Disembarking the Bus

After disembarking the bus, you must stand clear until the bus has pulled away. Never cross in front or directly behind the bus. Operators are not responsible for passengers once they have departed the bus.

Policies & Procedures

DO:

- Please remove children from strollers and collapse the stroller prior to entering the bus.
- All children six years of age and under must be accompanied by an adult or guardian.
- Shirt and shoes required.
- Please be courteous to other passenger.

DON'T:

- No smoking within 25 feet of Island Transit property.
- No food or drink on the bus (drinks in closed lid containers are allowed).
- No loud music (if it is audible from earphones—it is too loud).
- No disruptive behaviors.
- Do not carry more packages than manageable in one trip.

Pets/ Service Animals

The Americans with Disabilities Act (ADA) defines a service animal as dogs that are individually trained to do work or perform tasks for people with disabilities. Dogs whose sole function is to provide comfort or emotional support do not qualify as service animals under the ADA.

Service animals are welcome on all our buses.

When it is not obvious what service an animal provides, only limited inquiries are allowed. Staff may ask two questions: (1) is the dog a service animal required because of a disability, and (2) what work or task the dog has been trained to perform. Staff cannot ask about the person's disability, require medical documentation, require a special identification card or training documentation for the dog, or ask that the dog demonstrate its ability to perform the work or task.

Service animals must be harnessed, leashed, or tethered, unless these devices interfere with the service animal's work or the individual's disability prevents using these devices. In that case, the individual must maintain control of the animal through voice, signal, or other effective controls.

Service animals, regardless of training or certification, may be denied transportation if the animal is out of control or if the animal's behavior poses a direct threat to the health or safety of others.

Non-Service Animal: Pets and non-service animals are allowed on the buses with the following rules: Pets may ride if they are placed in a small carrier or container. Riders bringing a pet onboard are responsible for the animal and will be held liable for the behavior and action of the animal. If transferring to a transit system outside of the Island Transit service areas—please review their pet policy before traveling. Animals, insects, or reptiles known to be venomous are not allowed under any circumstances.

Comfort and Emotional Support Animals: Comfort and emotional support animals do not meet the definition of a service animal under state and federal guidelines. Animals other than dogs who are not working service animals, must be in a pet carrier or container.

For more information regarding traveling with a service animal, visit the Federal Transit Administration—FTA Website: [Frequently Asked Questions](#) | [FTA \(dot.gov\)](#)

Audio/Video Cameras

All transit vehicles are equipped with audio and video cameras.
