

Azure Andover Project INFO SESSIONS

10 November, 5pm at 50 Cent Hall (light refreshments)
Ngarluma members only

Come along to hear more about
Azure's proposed Lithium mine

12 November, 6pm at the Ngurin Centre
(followed by BBQ)
General Session

We'll have 3D maps, a fly-through representation of the project, and Azure's team will be there to present and to answer questions.

It's a great opportunity to learn about the project.
