The Orchestra SINGS

For the 2024 *Link Up* program, the RI Philharmonic is thrilled to partner with Carnegie Hall and present **The Orchestra Sings**. This exciting concert will teach your students about the orchestra as they literally become "members of the orchestra."

Link Up is a music education program that connects your classroom with the concert hall. It is designed for students in grades 3-5, but may also be appropriate for older or younger audiences, depending on their current level of musical interest. No prior music experience is required.

The RI Philharmonic supplies each participating school with quality recorders and digital resources for students and a Curriculum Guide for the teacher. The program culminates in a joyful interactive concert at The VETS in Providence where students celebrate their learning by playing with the RI Philharmonic.

Once you register your school for the concert experience and a professional development session, you will receive access to **The Orchestra Sings**, a curriculum that explores rhythmic patterns, sweeping contours and expressive qualities of great melodies. More importantly, we'll learn about the melody's role in bringing people together through song.

*Your Students will perform
with the Rhode Island
Philharmonic Orchestra!*

A recorder & digital resources for students and a Curriculum Guide for teachers!

Repertoire highlights include movements from:

- **Dvořák** *New World Symphony*
- **Beethoven** *Symphony No. 9*
- **Stravinsky** *The Firebird*

The culminating Link Up Concerts will be held on **Wednesday May 22, Thursday May 23 and Friday May 24, 2024 at 9:45am & 11:30am**. A wonderful way to celebrate learning in the music classroom, tickets are just \$5/student & \$5/chaperone for this joyful and highly engaging program. Financial aid may be available to schools that receive Title I supports.

In preparation for the concerts, the RI Philharmonic Orchestra & Music School will provide:

- A quality soprano recorder for each participant
- A Curriculum Guide for teachers
- Access to Carnegie Hall's digital resources
- Professional development seminars for teachers

Contact **Louis Privitera** at **401.808.6036** or **lprivitera@riphil.org** today to reserve your seats.
