Comments (you may use the back of the sheet):

Did you use the materials (teacher guide and recorders) provided. Were they helpful?

What impact did this program have on your students (you may use the back of the sheet)?

Every single participating school is subsidized by the RI Philharmonic from 80-100%. We rely on the generous contributions of donors and granting organizations and their continuous support to make *Link Up* possible. These donors love to hear stories and student reactions to the concert. **Please share any of this feedback on the back of this sheet.**
