ABOUT THE CONFERENCE

Join us for an inspiring experience at DPC's 3rd Annual Leadership Conference, where we bring our theme—Leaders C.A.R.E.—to life. Through powerful workshops, engaging discussions, and motivating guest speakers, this event is designed to educate, challenge, encourage, and inspire leaders at every level.

Focusing on the core values of Compassion, Accountability, Respect, and Excellence, the conference explores what it truly means to lead with purpose and integrity. Attendees will gain practical tools, fresh perspectives, and renewed energy to lead with impact — both professionally and personally.

For sponsors, this is more than brand exposure - it's a meaningful investment in leadership development. Your support showcases your organization's commitment to growth and positive change while connecting you with a motivated and forward-thinking audience. By aligning your brand with excellence, integrity, and development, you position your organization as a champion of progress and leadership.
