The Nominations/Elections Committee is a very important committee for the C.O.P.S. Organization. This committee makes recommendations about who meets the criteria to run for the National Board. Committee members must be motivated to complete the required work in the specific time allotted. Please note: Individuals cannot serve on this committee if one has a family member employed by C.O.P.S. or is running for a national board position.

By signing the bottom of this application, I am committing myself to be available to serve on this committee and complete the work as needed. If an unforeseen issue arises and I am unable to complete my duties it is imperative that I notify the Chairperson of this committee as soon as possible.
