E3 Discipleship

Jesus gives a clear command: His disciples are to make more disciples. The command gives direction along with the authority necessary to fulfill the task.

We define discipleship in two parts: personal transformation and public multiplication. The E3 journey will provide a framework to Engage, Equip, and Empower skaters with principles for personal transformation and public multiplication.

ENGAGE

We ENGAGE with the Good News

- **BE PRESENT ON Slopes:** Spending consistent time at resorts, getting to know other riders and building relationships.
- **HOST SKI DAYS:** Organize casual meetups ski and snowboard together. Can include tailgating, food, and a short devotional.
- **PROVIDE PRACTICAL HELP:** Offer free rides, water, snacks, or host wax nights.
- **USE SOCIAL MEDIA:** Share ski videos, testimonies, and event details to connect beyond of the mountain.
- **SERVE THE COMMUNITY:** Bring lifties and employees cookies, build positive relationships with local authorities, and serve at events in your local area.
- **PERSONAL TESTIMONIES:** Share faith authentically through conversations and relationships, not in forced preaching.

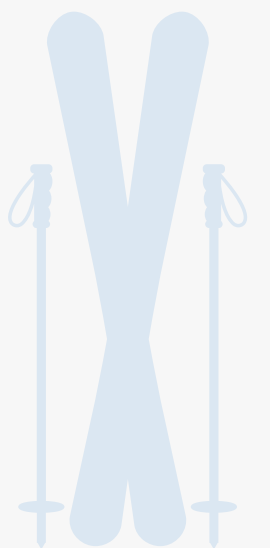

EQUIP

———— We EQUIP With God's Word

- Host small group Bible studies at the mountain, a local coffee shop, or a ski shop.
- Provide devotionals tailored to skiers and snowboarders (utilize YouVersion).
- Help them develop leadership skills and biblical knowledge.
- Train them to see shredding as a mission field.
- Pair up with mentors who can walk alongside newer believers.
- Link riders to local churches

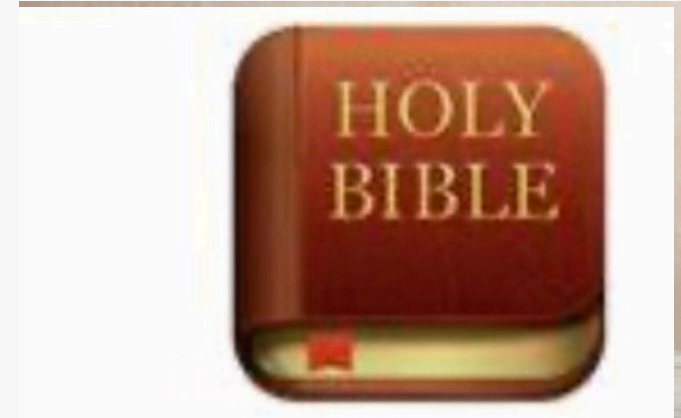

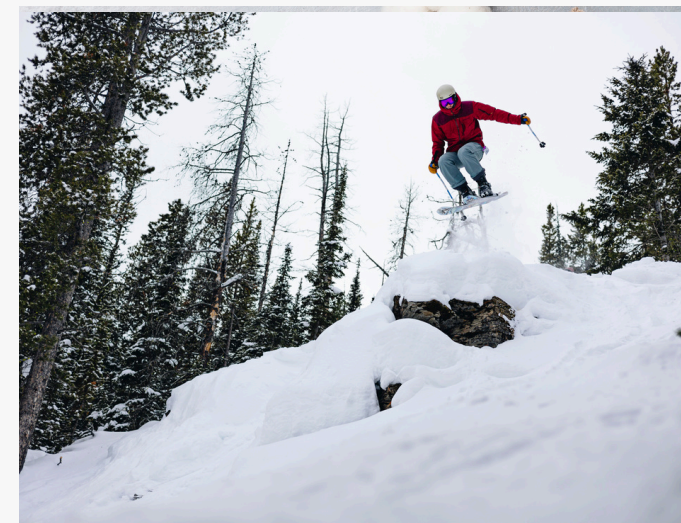

EMPOWER

We EMPOWER With The Great Commission

- Encourage riders to lead their own Bible studies or prayer groups.
- Challenge them to share their testimony on the mountain (chairlifts are great for this).
- Equip them with resources to disciple others in their ski groups.
- Help them organize outreach events that serve their local community and mountain.
- Send them out to other mountains to spread the message and create more disciples.
