

The door is *still open.*

We may not have an apartment available today — but we have a place for you. Our waitlist is your first step toward calling Kinstone Columns Drive home.

here for good.

HOW OUR WAITLIST WORKS

GROUP 1

Applied & Approved

You've completed your application and been approved. You're in the queue — when a home becomes available, you're our first call.

GROUP 2

Interested & Exploring

You're interested but haven't applied yet. We'll stay in touch and invite you to apply when you're ready to move forward.

Your application fee is fully refundable.

If we're unable to place you in a home, your application fee is returned — no risk, no obligation. Joining Group 1 simply means you're first in line when a home becomes available.
