Greetings!

Welcome to the September issue of ***The Tooker Take*** – a quick look at what's happening on the campaign trail, the issues we're talking about with voters, and what's coming up next.

Thank YOU

First, I want to once again thank all of you for helping our campaign qualify for public financing – we couldn't have done it without you! The campaign is now fully funded for the general election, and we're already putting these resources to work.

Policy Announcements

Last week, we released our first major policy announcement: a five-point plan to strengthen Connecticut's Fiscal Guardrails and increase transparency around how the state manages taxpayers' dollars. The plan outlines specific steps I would take as Comptroller to strengthen fiscal oversight and give Connecticut taxpayers clearer information about the state's finances.

This is a critical point of difference with my opponent, who wants to *weaken* the guardrails so the state can spend more.

Read the full five-point plan

Our Campaign is On The Air!

Last week we proudly launched our first campaign ad. You can see it on local TV as well as online and across our social media channels. If you like what you see, please consider sharing it with your friends and followers so they can learn more about the campaign and the issues we're talking about. Click **HERE** for the shareable version.

In the News

Earlier this month I sat down for an interview with Gary Byron on Mornings with Gary Byron where we discussed the state of Connecticut's finances, fiscal responsibility, and the role of the Comptroller.

Listen to the interview **HERE**.

Keep an eye out for upcoming interviews and appearances — we'll be sharing them on our social media channels and in future editions of *The Tooker Take.*

Endorsements/Letters to the Editor

It means so much to the campaign – and to me personally – when supporters share their own perspective with their neighbors. A great way to do that is to write a letter to the editor about why you're supporting my campaign.

Neighbors trust neighbors, sometimes even more than they trust the media. If you'd like to write a letter, I would love that. Please click **HERE** to read a letter that was recently submitted to the press and shared on social media. It is so powerful to have others share my message and publicly support my candidacy.

Please email us at: **info@jentooker.com** so we know where you will be placing your letter of endorsement!

Where to find Jen!

I would love to have you join me on the trail! **Please email me here** to find out when I'll be in your area. I hope to see you soon!

Get Involved!

As we head into the fall, there are lots of ways to get involved:

- **Host a lawn sign:** Email info@jentooker.com, and we'll arrange to have one delivered to you.
- **Volunteer:** Join us on the campaign trail.
- **Spread the word:** Help us build momentum by liking and sharing our campaign content across social media.

Thank you again for being part of this campaign. I'm grateful for your support and look forward to seeing you out on the trail this fall.

Best,
Jen
