Become the Guide Every Adventure Deserves

Certified Adventure Guide Programme

**PROFESSIONAL GUIDE
TRAINING & CERTIFICATION**

**TRAIN. CERTIFY. LEAD.
KOH RONG SANLOEM | CAMBODIA**

Why Guides Matter

Great Adventures Start With Great Guides

A guide is more than someone who shows the way.

They are a leader, educator, risk manager, storyteller and ambassador for every guest experience.

Well-trained guides create safer adventures, stronger businesses and unforgettable memories.

Did You Know?

"Guest satisfaction is directly influenced by guide quality, safety standards and local knowledge."

Specialist Modules

Kayaking Essentials

- ✓ Technical Paddling & Boat Handling
- ✓ Water Safety & Risk Management
- ✓ Group Leadership & Client Care
- ✓ Environmental Stewardship & Interpretation

Learning outcomes

Lead guided kayaking activities in sheltered, flatwater and moderately rough ocean environments - Apply rescue techniques and emergency response procedures - Manage groups safely and effectively on the water - Promote environmentally responsible paddling practices.

Marine Awareness & Snorkeling

- ✓ Snorkelling Safety & Water Confidence
- ✓ Marine Ecology & Seamanship
- ✓ Client Supervision & Group Management
- ✓ Interpretation & Conservation Education

Learning outcomes

Conduct safe snorkelling activities in suitable marine environments - Identify key marine species, habitats, and conservation challenges. Supervise participants effectively in the water - Deliver engaging environmental interpretation and conservation messages.

Hiking & Navigation

- ✓ Navigation & Route Planning
- ✓ Wilderness Risk Management
- ✓ Group Leadership & Decision Making
- ✓ Environmental Awareness & Interpretation

Learning outcomes

Navigate confidently using maps, compasses, and natural features - Plan and manage safe hiking routes and itineraries - Lead groups effectively in wilderness environments - Interpret natural and cultural features to enhance guest experiences.

Jungle Survival & Bushcraft

- ✓ Survival Priorities & Emergency Preparedness
- ✓ Shelter, Fire & Campcraft Skills
- ✓ Resource Management & Self-Sufficiency
- ✓ Wilderness Leadership & Decision Making

Learning outcomes

Apply survival priorities in emergency situations - Construct shelters, safely build and manage fire in outdoor environments and filter and purify water - Utilise natural resources responsibly and effectively - Lead and support groups during wilderness incidents and emergencies.

The Guides Toolkit

- ✓ Leadership & Applied Guiding Practice
- ✓ Client Communication & Experience Management
- ✓ Trip Planning, Operations & Business Fundamentals

Learning outcomes

Lead multi-activity adventure experiences across a variety of outdoor environments - Deliver exceptional client experiences through effective communication and group management - Plan and operate guided trips professionally, including logistics, budgeting, and marketing considerations - Make effective decisions and manage incidents confidently in challenging or dynamic situations.

Meet our Instructors

Jay
Founder & Lead Instructor
Originally from Melbourne, Australia, Jay brings years of experience in tourism, guiding, and adventure operations. Passionate about creating exceptional outdoor experiences, Jay has dedicated his career to developing professional guides, raising industry standards, and building meaningful adventure tourism opportunities throughout Cambodia. His practical approach combines safety, leadership, and customer experience to help guides thrive in the field.

Brad
Tour Guide & Lead Instructor
Originally from Durban, South Africa, Brad combines a background in hospitality and tourism with military training and a lifelong passion for bushcraft, survival, and outdoor experiences. His experience leading groups in diverse environments brings a strong focus on risk management, problem-solving, and practical field skills, helping participants develop confidence and competence in challenging situations.

Lino
Guide Craft Certified Tour Guide & Assistant Instructor
Born and raised in Kep Province, Cambodia, Lino brings valuable local knowledge, cultural insight, and a genuine passion for the outdoors. As a Guide Craft Certified Tour Guide, he combines professional guiding skills with firsthand experience of Cambodia's landscapes, communities, and natural environments, helping participants develop a deeper understanding of responsible and authentic adventure tourism.

Phat
Guide Craft Certified Tour Guide & Assistant Instructor
Hailing from Siem Reap Province, Cambodia, Phat is a Guide Craft Certified Tour Guide with a passion for outdoor adventure and guest engagement. Drawing on extensive local knowledge and guiding experience, he helps participants build confidence in the field while sharing insights into Cambodia's rich culture, history, and natural heritage.
