Monarch by Wilbert

Wilbert Monarch - GRAVE LINER	Concrete NON-SEAL Grave liner, painted to match the casket	Ouzts Wilbert	\$2030.00
----------------------------------	---	---------------	-----------

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements. The terms 'protective' and 'non-protective', which may be found in some printed material provided by the manufacturer, were chosen by the manufacturer and do not constitute or imply a representation or warranty by the funeral home. Although certain caskets offered for sale by this funeral establishment may be of better quality construction and comprised of more durable material than others, neither this funeral establishment nor any of its employees represents or implies that any casket will be airtight or watertight or will provide long-term preservation of human remains.
