A B O U T M E

I've spent over a decade photographing weddings and lifestyle sessions across the U.S., from Texas and Wisconsin to California and New Mexico.

Along the way, I've also captured concerts, professional events, and modeling portraits, giving me a wide range of experience with real, unscripted moments.

Photography is more than a job for me—it's something I do out of genuine passion and love for storytelling. I'd be honored to help preserve your memories, whether it's your wedding day, a special event, or a simple moment you never want to forget.

YOU HAVE QUESTIONS

Q: What sets you apart from other photographers?

A: With over 13 of experience, I strive to create a relaxed and enjoyable atmosphere for my clients, helping them feel comfortable while capturing their best selves. I prioritize using natural light whenever possible and aim to keep sessions intimate and fun. When natural light isn't an option, I'm skilled in using flash photography to ensure beautiful results. I've also invested in high-quality photography and lighting equipment to provide the best possible experience and ensure your special day is beautifully captured.

Q: Will we get the print release to our photos after our wedding?

A: Yes! Upon receiving your images, you will also get a full print release.

Q: How many photographers will be there at our wedding?

A: Our Gold collection come with two photographers, and our Bronze + Silver collection comes with only one. But you are more than welcome to add a second shooter for an additional cost.

Q: Will my photos be posted publicly on your site or social media?

A: I respect your privacy and allow each client to decide whether or not they want their photos displayed publicly. I'd love to show off you & your images, if you're game! If not, that's okay, too.

Q: Will our photos get featured in a magazine or blog?

A: While many of our sessions do get featured, this isn't something that is guaranteed. Most publishers are interested in uniquely designed weddings.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, please let me know. There is a limited amount of edits offered per collection.

Q: Do you have a list of preferred vendors to use?

A: This depends on where I am shooting a wedding. If shooting in Santa Barbara, CA, then Yes! From wedding planners to florists and caterers, I have worked with some of the best companies in the industry & would love to share their information with you.

If in Las Cruces, NM, since I'm relatively new to the area, I don't yet have a curated list of preferred vendors. However, *I'd be happy to help you find reputable options based on your needs. I can offer some recommendations or assist in researching trusted vendors in the area to ensure you have the best team for your wedding day.

*This also applies to travel destination weddings.

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through one of my professional vendors, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints!

Q: What equipment do you use?

A: I use the latest Canon equipment to ensure the highest quality photos. I always carry two Canon R6 bodies, along with a 14mm, 35mm, 85mm, and 70-200mm lens, among other gear. If I bring a second photographer, they will also use Full-Frame Canon bodies to maintain consistent color and image quality throughout the day.

Q: Do you photograph destination weddings?

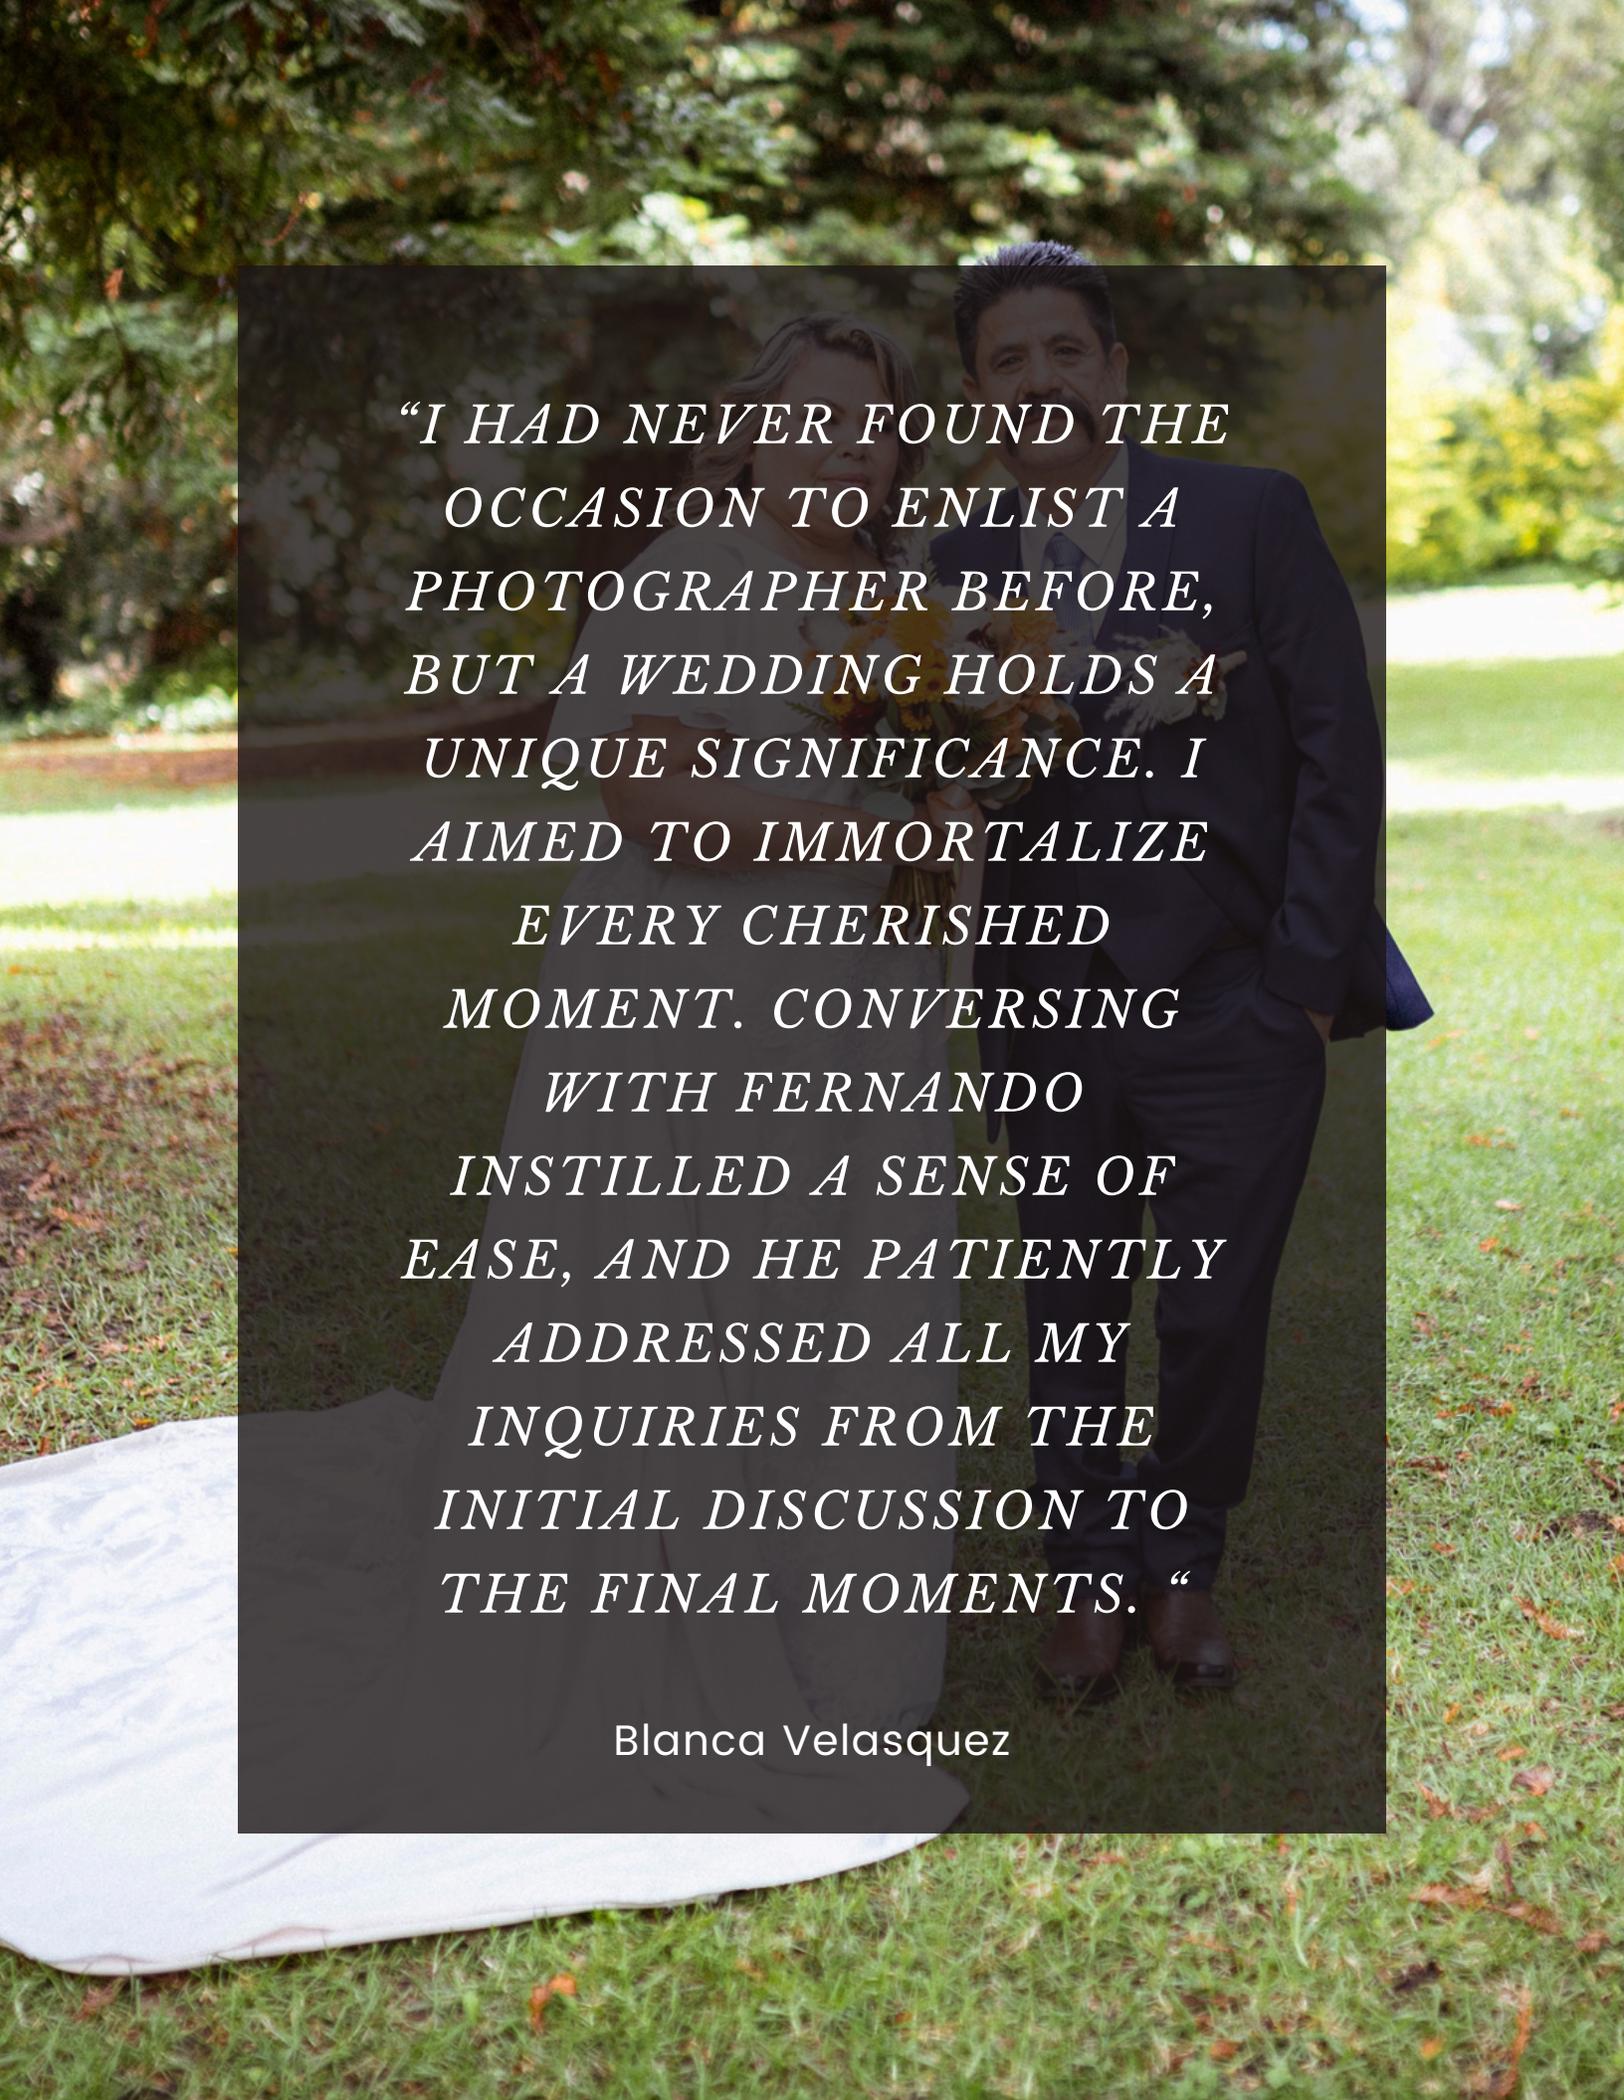

A: Yes! I am more than happy to create a custom wedding collection to suit your travel needs.

Q: Are the people featured on your site models?

A: For the most part, no. While I am lucky enough to work with gorgeous clients, the majority of the images shown on my site and blog are of regular, paying clients.

Q: How do we reserve our wedding date?

A: A 50% deposit & signed contract is required in order to get your wedding on the calendar. The remainder of your balance is due two weeks prior to your wedding.

“I HAD NEVER FOUND THE OCCASION TO ENLIST A PHOTOGRAPHER BEFORE, BUT A WEDDING HOLDS A UNIQUE SIGNIFICANCE. I AIMED TO IMMORTALIZE EVERY CHERISHED MOMENT. CONVERSING WITH FERNANDO INSTILLED A SENSE OF EASE, AND HE PATIENTLY ADDRESSED ALL MY INQUIRIES FROM THE INITIAL DISCUSSION TO THE FINAL MOMENTS. “
