

How your Western North Dakota Synod will use your congregation's Mission Support in 2022

In 2021, members of the congregations in the WND Synod gave \$1,078,607 in offerings.

We are grateful for these gifts shared to support ministry. When members give through their congregations, a percentage of that money is shared with mission partners and the national churchwide organization. The information to the left shows our goals for 2022.
