

How your Western North Dakota Synod will use your congregation's Mission Support in 2026

In 2024, members of the congregations in the WND Synod gave \$1,156,964 in Mission Support. We are grateful for these gifts shared for joint ministry. When members give through their congregations, a percentage of that money is shared with mission partners and the national churchwide organization. The information to the left shows our goals for 2026.
