MINISTRIES

TRANSITIONS

Many congregations are restarting servant ministries since COVID, and synod-sponsored groups have been a great fit when individuals from different congregations prefer to gather together. If your congregation or other group is interested, there is an opportunity to engage and participate with volunteers supporting long-term recovery from the widespread damage caused by Hurricane Helene in the Carolinas.

**Hope.
Healing.
Renewal.**

 LDR Carolinas

A year after this natural disaster, some families are only now asking for help in their damaged homes. The region still needs volunteer teams to help with home repairs, debris removal, and community resilience projects in 2026 and beyond.

A group from our synod that has already deployed here...and are scheduled to return in summer 2026... is from Faith Lutheran Church of Bismarck. They have sent 16 volunteers who have helped with construction and land mitigation.

If you would like to learn more, you can fill out a [Group Interest Form](#) with a best-guess for group size, preferred dates, and any accessibility or skill considerations. Submit the form...even if details are incomplete...and a follow-up communication will be scheduled to align goals and answer questions. Teams are matched with ongoing projects that suit their skills and availability.

Most volunteer groups stay at ELCA [NovusWay](#) camps, Lutheridge or Lutherock, though some choose local AirBnBs or hotels. Volunteer housing is being added in Boone and a new site is being developed in Hendersonville to expand options. An overview of what is being done in the area can be found on [LDR Carolinas](#) website.

Sample itineraries, travel guidance, accessibility information, and tips for team preparation can be provided to make planning simple and accessible. Teams serving in North Carolina will work with Amy Phillips, WNC Response Coordinator. She can be reached at amy@ldrcarolinas.org or 704-633-4059. Teams serving in South Carolina will work with Kelli Fulmer, SC Response Coordinator. She can be reached at kelli@ldrcarolinas.org or 803-271-5507.

WATCH THIS

Sermon for the 1st Sunday of Christmas

WND Synod Bishop Craig Schweitzer shares a sermon for the 1st Sunday of Christmas, from the Gospel of Matthew, which takes us directly from manger straw and angel songs into danger, dislocation, and grief.

LISTEN TO THIS

Messy Church & Fresh Expressions

What happens when faith is formed through creativity, curiosity, and hands-on participation rather than rows and sermons? In this episode, we unpack how intergenerational, creative, and

hands-on spaces cultivate openness, curiosity, and connection... often in places far beyond a traditional sanctuary.

To help satisfy a growing need, DEM Tera Kossov has arranged for pastors of the WND Synod to provide one video sermon and manuscript to share each month.

The next monthly sermon will be for **Sunday, December 28th**. When videos and manuscripts have been produced, the links are activated for download on the [Congregations](#) page of the WND Synod website. You can find the complete list of sermon videos and manuscripts on that page.

The list of available sermons will be updated on this page as they become available. Check back often.

If you missed the November 13th Zoominar featuring Bishop Craig and Synod Attorney Murray Sagsveen speaking to the updates to congregational constitutions that were approved by the 2025 ELCA Churchwide Assembly, have no fear! The Zoominar was recorded, so you can [watch it now by following this link](#). In this recording, you will learn of the best ways to implement the changes into your own congregation's constitution.

Annual Appeal from LCM

We are humbled by all the ways we've seen the work of God's Holy Spirit through Lutheran Campus Ministry this semester and are grateful to be able to continue this work. We are also grateful for you and your support of the Minot State community through your partnership with LCM through the years.

We depend on your prayers, volunteer time, gifts of winter weather gear, and financial support, truly seeing this as a ministry of the congregations and individuals of the whole Western North Dakota Synod.

In this season of gratitude and giving, we ask that you consider a gift of \$20, \$50, \$150, \$500, or even \$1000 or more to this shared ministry. You can also [contact Pastor Rachel](#) if you are interested in giving to one of our endowments. Your support makes all our ministries possible.

Since Stephen Ministries was founded in 1975, a wide range of ministry resources and training events have been developed, serving hundreds of thousands of individuals, and working with churches and organizations across the denominational spectrum, including many Lutheran congregations.

To mark this ministry milestone, earlier this year a nationwide tour was launched to mark Stephen Ministries' 50th Anniversary with a variety of learning events. These events, which are open to anyone, feature presentations to equip and inspire participants for making their part of the world a more caring

place. Topics covered include grief, supporting those with cancer, what Jesus teaches us about empathy, how congregations can help combat the mental health crisis, and more.

Our [most recent Mission Support memo](#) introduces us to the community of Radford, VA, where Christ Lutheran closed to allow for Nineveh to open. Read about this new ministry that started its work with and among the people and organizations in Radford offering the community a safe haven and house of healing for all seeking the justice, mercy and compassion of the Spirit, especially people on the margins: those suffering from addiction and their families and friends, and those seeking an affirming and inclusive faith community in the New River Valley. Find out how to partner with our *ELCA Innovation team*, which works closely with synods, congregations and other ELCA ministry partners as they explore new and unique ways of doing ministry. In this time of Advent — a time of watchfulness, preparation and waiting for the light of Christ to come —we continue to be grateful for the ways we stay connected and for the Mission Support received that fosters these stories.

As always, you can get the [memo in pdf](#).

We cherish hearing about the inspiring stories in your synods, regions and congregations - feel free to reach out to Karen at karen.kretschmann@elca.org.

Eight leaders will be selected from each of the 9 synods in Region 3 to participate.
Application and more information coming soon!

Funded in part by the Quality of Call Initiative for Women in Ministry of the ELCA.

Have you ever wondered, "What has the Synod Staff been up to lately?" The answer is...A LOT! Here are a few of places that have beckoned, recently.

In this season of Advent, waiting has not meant being idle for Bishop Craig Schweitzer. Upon returning from Santa Ana, El Salvador, after celebrating the 50th Anniversary of Cristo Rey Lutheran Church, our bishop has been going nonstop! From synod council meetings...to Christmas concerts...to parish-hopping around western North Dakota; he's had the pleasure of sharing in all the excitement and anticipation that an Advent season can bring on the prairie.

Assistant to the Bishop for Leadership, Candidacy, and Call, Brad Dokken, has been living life to its fullest while celebrating another trip around the sun. Brad made a quick Disney trip with his wife for his

birthday, making it back in time to take in a local theatre production of one of his Christmas favorites; all while spreading his brand of joy to the folks of western North Dakota.

In Search Of...

Heart River in Mandan is still in need of quilts. If you, or members of your congregation, are interested in participating in this ministry, quilts may be left at the synod office.
