

Vice-President's Report

Beth Campbell

Last year when I left synod assembly I took a drive through the north unit of Theodore Roosevelt National Park. It was a picture-perfect day in my favorite destination in North Dakota. As I drove home, I pondered what the next year would bring, but I didn't really know what to expect as Vice President.

It didn't take long to hear from Bishop Craig! Are you available to go to Churchwide assembly in 2 weeks. Then the emails started. There was a wealth of information to absorb in a short period of time. I met new people, heard new music, worship services, and more. Looking at the schedule, I was excited to see a gathering of Synod Vice Presidents around the country. Spending time with the Vice Presidents was an opportunity to learn so much more.

The Association of Synod Vice Presidents meets regularly on Zoom. At the end of November, I participated in the SAM Summit again learning more about synod and seeing friends.

Blessings,
