Here you can put in the amount of the payment. For those of you in sacramental years, you may break up your payments but be careful to attribute the payments properly.

We strongly suggest that you make a series of one-time payments rather than set a recurring gift because those are not time sensitive and may result in overpayment.

DO NOT SELECT OFFERTORY or we will have no way of attributing to your religious education payment.

You MUST change the drop down and select each program your child is enrolled in (see next slide).

If you have more than one child enrolled in Elementary, Edge, OCIC, or Life Teen, you may group those payments. However, separate payments must be made for elementary, edge, OCIC and Life Teen. Confirmation registration and Confirmation retreat are also separate.

We are sorry for the inconvenience; this is the only way for us to accept credit cards. Feel free to pay with cash or check if that is more convenient.

# Scheduling One Time payments

PLEASE READ ALL INSTRUCTIONS!!!

You MAY SCHEDULE ONE TIME GIFTS AT A FUTURE DATE IF YOU WANT TO SET UP PAYMENTS IN ADVANCE.

In the example at right, I scheduled a payment for First Communion and I am adding another gift for a later date. This works if you want to make several payments for the Confirmation retreat over several months time, for example.
