IF YOU HAVE SLOW PAYERS OR BAD DEBTORS THEN WE CAN HELP YOU

NO COMMISSIONS-NO SOLICITORS FEES

Many businesses put off chasing monies that are well overdue, because for businesses, collecting bad debts is one of the most tedious tasks, it's also time consuming and many businesses don't know the best way to go about it which often leaves you feeling frustrated. If you are tired of wasting your precious time dealing with your debtors and you want a solution that will help you handle them easily, then we can definitely help you.

Gold Coast Collection Services offer a very unique credit control system with over **97%** success rate in **speeding up your slow payers and bad debtors** [without the need for legal actions](#). This will dramatically increase the cash flow for your business. **(also we have NO Solicitors fees or commissions on any debts up to \$ 2,000.00)**

EVERYTHING WE COLLECT IS YOURS TO KEEP.

We will cover any outstanding debts or slow payers that you may have now, and we can go back six years on any debtors that you may have written off and we can cover you for ANY you may get in the next 12 months. **We can even handle one off debt collections.**

We supply your business with a **personalised** credit control system, which we send out on your behalf. **By us chasing your slow payers this frees you up to continue running your business.**

This credit control system will have your name, address, phone number and fax number professionally printed on them **FREE OF CHARGE!**

We are the only agency in Queensland who offers a service like this. We are quite sure that this service will greatly assist you in **controlling all overdue accounts**. We work with you as your specialist partner that deals not only with your debt collection problems but also as your credit control agency with over

50 YEARS EXPERIENCE.

We can dramatically reduce your slow payers and increase your cash flow. Let us chase your overdue monies which will free you up to do more important work like growing your business.

Another part of our job is to show you how to extend your Credit safely, foster good relations with your clients, speed up slow payers and prevent bad debts in an inoffensive manner and increase your cash flow. We can also show you how you can:

1. **Legally charge accounting fees on all overdue accounts.**
2. **Obtain correct information from your new clients.**
3. **Claim any commissions from your debtors**
4. **How to set up personal Director's guarantees and many more**

To cover your business for 12 months of debt collection costs \$ 660.00 including GST .It is 100% tax deductible. If you have individual debts that exceed \$ 2,000.00 we charge a **12% commission** on successful collections only and still **NO Solicitors fees**.

We can also handle one off debts for only \$ 440.00 including GST which is also **100% tax deductible**

We urge you to contact us NOW to take up this wonderful offer, as you have nothing to loose but EVERYTHING to gain.

We will be a great asset to your business and will help in dramatically increasing your profits and your cash flow. **We will also send you weekly reports so you know exactly what we are doing for you.** By educating your customers to pay on time (in an inoffensive manner) you will no longer have slow payers and bad debtors.

We look forward to assisting you to grow your business very soon.

Yours Faithfully,
Mr Alan Neal
GENERAL MANAGER.
