

Radiance Family Dentistry

A letter from your Dentists

To our very valued & extended family,

You all know our beloved Dr. Kleinman who has served all you wonderful people for over 40 years now. He has a few words to say to you all as he plans for his retirement.

A Note from Dr. Kleinman:

“Hope you all are well and enjoying this beautiful fall weather with your family and friends!

It is with careful thought and consideration that I have decided to slow down my engagement from practicing dentistry. I have received great personal reward from dentistry over the last 48 years, however the time has come for me to slow down a little and concentrate on enjoying life with my family. It has been my singular honor and privilege to be your dentist, and I have sincerely appreciated your confidence and trust by allowing me to care for your dental health.

First and foremost I would like to take this opportunity to thank you for your continued trust and confidence in allowing me to care for your dental needs through the years. I have thoroughly enjoyed my many years in practice mainly due to you all – my wonderful extended family and my caring staff.

While the announcement of my retirement may have come sudden, I am committed to facilitating a smooth transition for Dr. Nitender Kumar. Dr. Kumar and I have worked hard behind the scenes since past 6 months to make this transition seamless, and having strong confidence in my successor has made it that much easier for this next phase of my life. Much of my staff will continue in their jobs and are excited to work with Dr. Kumar. I know you will be pleased with this amazing doctor and the team and that you will extend the same courtesy and loyalty that you have afforded me over these many years.
