Gardena POLICE FOUNDATION

ABOUT THE GARDENA POLICE FOUNDATION

Incorporated in 2006, the Gardena Police Foundation is a 501c3 non-profit corporation that provides supplemental resources directly to the Gardena Police Department and the Gardena community in the form of grant funds to improve public safety operations, provide resources to the public, and enhance youth programs and community outreach.

Since 2014, the Foundation also operates an Annual College Scholarship, where the Foundation provides graduating high school seniors with an educational scholarship. Starting in 2025, the Foundation DOUBLED its Scholarship Fund again, and now awards students each year with a \$16,000 scholarship per recipient.

The Gardena Police Foundation is governed by a Board of Directors, comprised of leaders from the Gardena business community. The Foundation relies solely on the generous contributions of its Board of Directors and community members, including residents, businesses, and other philanthropic organizations to meet specific grant requests.

Join the effort to improve public safety in Gardena. Together, we win.
