

Pick Your Day. Pick Your Way.

Flex Your Days Each Week (no day commitment needed)

Commitment Form: The initial commitment form is your tentative schedule for the fall. You are required to make adjustments each month when you receive the scheduling form.

Enrollment Form: Filled out online at time of commitment. You will need a physical with immunizations to complete it.

Scheduling Form: Customize your month! We will send the next month's form out via email. Parents will only have access to the form during that week. You will have complete flexibility within the week for your child's days but every week is required.
