TEACHER RECRUITMENT SCHOLARSHIP

for Historically Underrepresented
Students

WHAT IS THE GOAL?

The goal of the Teacher Recruitment Scholarship is to increase the number of teachers in Wasatch Front Schools whose backgrounds could best support underrepresented students in the K-12 school system. This scholarship supports students from a broad range of backgrounds to become teachers and return to their communities as educational leaders and mentors for future generations.

WHO CAN APPLY FOR THE SCHOLARSHIPS?

High school students graduating from **Canyons, Davis, Granite, Jordan, Park City** or **Salt Lake City School Districts** who:

- Want to pursue a career in teaching
- Have a background that would allow them to best support underrepresented students in K-12 schools
- Are Utah residents and citizens or permanent residents of the U.S.
- Need financial assistance to attend college
- Have a minimum high school GPA of 2.5 or higher

HOW DOES THE PROGRAM WORK?

Teacher Recruitment Scholars start their postsecondary education at Salt Lake Community College.

- Scholars enroll in a seminar class to support their transition to college
- Scholars receive support through individual advising, mentoring and tutoring
- Scholars earn an Associate degree in Education

Upon completion of the Associate's degree, Teacher Recruitment Scholars transfer to the University of Utah to earn a Bachelor's degree in education and licensure.

- Teacher Recruitment Scholars at the University of Utah participate in a transfer cohort that includes academic, professional and peer support

WHAT DOES THE SCHOLARSHIP COVER

- Up to \$650 per semester from your school district for fees, books and supplies (minimum of four semesters with continuation depending on funding)
- Approximately \$3,500 per year in tuition waivers from Salt Lake Community College for a maximum of two years
- Pending available funding, GPA requirements and academic coursework toward licensure, qualified individuals will be eligible for up to \$3,000 per year for a maximum of two years at the University of Utah College of Education
