

Hygiene Kits

In an effort to assist children and teens in Jordan School District that, for a variety of reasons, do not have regular access to proper hygiene tools, we are collecting items to assemble hygiene kits. Below is a list of items needed per kit. Jordan Education Foundation will collect these kits and 100% of them will be given to principals in Jordan School District, to give to students in need. Donations of individual items, complete kits or funds to purchase hygiene kits all help support our kids. Thank you for making a difference in the lives of young people!
