CAN WE BRING OUR OWN EQUIPMENT?

Birthday parties at Central Alabama Paintball Park are Low-Impact Paintball experiences- you are welcome to bring your own mask (subject to inspection by their team) but high quality rental paintball equipment will be provided for us!

WHAT SHOULD I WEAR?

The paint is non-staining, water based paint that will wash out with the laundry- dress for the weather rather than the paintball! CAPP provides protective face masks and optional chest protectors.

Make sure you complete a waiver!

You must have a waiver for each player!
All players, regardless of age, must have a waiver on file.

Use a Computer or Phone
Sign with your finger or your mouse.

Online Waivers are good for the Calendar Year
If you played this year, we can look it up.
