

November 2025

Dear Parents and Carers,

We hope you have all had a wonderful half term break. We have lots of wonderful things planned for this term including our much anticipated Nativity performance. Here are just a few things to bear in mind this term and if you have any further questions please speak with one of the teachers at the end of the day.

This term our topic will be 'Winter Wonderland' and we will be focusing on the oceans and continents of the world. We will be focussing on the environment: the effect of climate change and what we can do as individuals to reduce our impact on Mother Earth. We will be working towards a 'Nativity' performance in December to get everyone in that festive spirit.

We are very grateful for all the parent volunteers who have given some of their time to hear our children read. If you can spare anytime, it would be greatly appreciated and please speak with Mrs Thornton who will add you to the rota. Hearing children read each day, makes such a difference to their learning and we really value the support. Thank you to all those parents and carers who do this daily for their children: telling stories; listening to your child read and sharing stories is an excellent way to improve reading and vocabulary.

Please don't forget to name all your children's clothing (including wellies), water bottles and lunchboxes. As the classrooms are going to be well-ventilated this term, please ensure your child wears lots of layers to school over the next couple of months.

Monday: Uniform

Tuesday: PE / Forest School clothes

Wednesday: Uniform

Thursday: Uniform

Friday: PE clothes

Looking forward to seeing you all soon.

Best wishes,

Mr Wilson, Mrs Thornton and team.
