November 2026

Dear Parents and Carers,

Welcome back to Fox Class! Please find attached a knowledge organiser which details the key things we will be learning about this term. We will also be working towards our Nativity concerts. Keep your eyes open for information about the character that your child will be dressing up as and our request for costume for this. The concert will take place on 8th December (in the afternoon) and 9th December (in the morning) so hopefully there will be a time slot to suit everyone who wishes to join us!

On Tuesdays we have outdoor PE. Please could children come to school in their outdoor PE kit on this day. Monday, Wednesday and Thursday are school uniform days. Please make sure all your children's school clothes are labelled with their name so they don't get lost or go home with other children!

On Friday, the children will have Forest School. As the weather gets cooler, we recommend three layers on the top half which is more flexible than a T-shirt and heavy winter coat. On the bottom half something comfortable and easy to move in. We have waterproof trousers and jackets at school for Forest School but if your child prefers to wear their own then this is fine. Please note jeans, dresses and skirts are not suitable to wear at Forest School.

We really enjoy having parents to 'Come and Read' and this term will be changing to **Wednesday** afternoons at 3.00pm. We do close the gate after letting everyone in so that we can keep our school community late but do try to keep our eyes open to let late arrivals in, if we can.

Please continue to ensure that your child has at least one set of spare clothes, including socks, in school with them each day. This is in case of accidents or clothes getting wet or muddy due to playing outside. Please ensure all clothes, shoes and wellies are labelled with your child's name.

We are looking forward to a fabulous term with the fantastic Foxes.

Best Wishes,

Mrs Hendry and Mrs Cotton
