Message from the Headteacher: Be kind

I hope this last newsletter of 2025 finds you all well, in the festive spirit and looking forward to some quality family time and the big day. As we near the end of 2025, I would like to thank all the parents, carers, staff, volunteers and children in our school community, for all their support over this year. It is important and you have all made a difference. Thank you for your support at all our Christmas Performances. It was great for the children to show off their hard work and for the audiences to see such a variety of singing, dancing, acting, instrument playing and pure entertainment. The mulled wine and mince pies went down a storm and the warmth of the church made a pleasurable experience for all at the Christmas Concert. I wish you all a Merry Christmas and a Happy New Year and I look forward to seeing you all for the start of the Spring Term on Tuesday, 6th January.

Diary Dates: Be curious

Friday, December 19

10:00am: Fox class and Fox cubs, Badgers, Hedgehogs and Otters Christmas party

Nativities: Persevere

Longworth Primary School

Friday, 19th December 2025

Christmas Jumper Day and Lunch: Be curious

Hedgehog Class: Persevere

Using a thermometer and measuring cylinder to observe the rate at which ice melts

It's more accurate to read the scale when you are at eye level with the cylinder.
