

Dear parents and carers

We hope you had an enjoyable Easter break and that the children are excited about the new school term.

Attached to this email is the knowledge organiser and learning grid for our topic: Anglo Saxons. Please take a look as it may help you when talking to your children about their day.

We are pleased to confirm that Hedgehogs will start Bikeability next week. The children need to bring their road worthy bikes and helmets to school on Wednesday, 22nd April 2026.

Please do not forget to name all of your children's clothing (including coats and wellies), water bottles and lunch boxes.

Here are the clothing expectations for each day:

Monday - Uniform

Tuesday - Uniform

Wednesday - PE kit for cycling

Thursday - Forest School

Friday - Uniform

Please speak to Mr Wilson, Miss P or Mrs Willetts at the end of the school day if you have any concerns or questions.

Best wishes

Miss P
