

**Dear Parents and Carers,**

It was so lovely to see so many of you at our class museum at the end of last term.

We've had a wonderful start to the new school term. The children have settled in very well and are all showing great persistence and curiosity in their learning, as well as respect and kindness in their behaviour. It's been a real pleasure to see their enthusiasm in the classroom and beyond.

Thank you for returning the permission slips for our school trip next Tuesday to **Sutton Courtenay Environmental Education Centre**, where we'll be carrying out field studies as part of our Geography topic, *Rivers*. Attached you'll find the **Knowledge Organiser** and **Parent Grid**, which give more detail about what we'll be studying this term.

As we move towards Christmas, the children in **Key Stage 2** will begin preparing for our **annual concert at St Mary's Church** — a highlight of our school year that we always look forward to sharing with you.

Thank you also for continuing to ensure your child wears suitable clothing for our weekly activities. Our timetable remains the same this term, with **PE on Wednesdays and Fridays**, and **Forest School on Thursdays**.

Please continue to listen to your child read, and to read to them a little each day — it really does make such a positive difference to their progress and enjoyment of learning.

If you have any questions, please don't hesitate to speak to one of the team.

With best wishes,

Mrs Nobles
