Dear Parents,

Kilvrough Manor Residential Visit

The school has arranged a residential visit to Kilvrough Manor Outdoor Education Centre for the children in Years 5 and 6 during the Spring Term of 2027. This is a very exciting opportunity and will be one of the highlights of the academic year.

The residential visit is from Monday, 1st February 2027 to Friday, 5th February 2027. Once the programme for the week is confirmed, there will be a meeting to give you further information.

Kilvrough is owned by Oxfordshire LEA centre situated in the Gower Peninsula in South Wales. It is set in private grounds and is staffed by very well qualified outdoor specialists who are also trained teachers. For further information, please take a look at their website:

All school visits form an important part of the curriculum and give opportunities for children to learn skills and concepts in different environments. The visit has a very strong Outdoor Educational Adventure content from the PE curriculum as well as key elements from the Geography curriculum. In addition, your child will learn many life skills, including independence and teamwork. They will have opportunities to deal with personal challenges and solve real problems, in a very safe and controlled way.

The visit will cost £390 for each child. This includes transport to and from the centre, meals, equipment, and activities for five days. Permission slips, along with a deposit of £75 should be returned to the school office by Friday, 4th September. Payments should be made via Parentmail.

The payment schedule below details when the following five payments of £63 should be paid. The total cost of the trip should be paid in full by Monday, 1st February 2027.

If you have any financial worries or other concerns, please make an appointment to see me at the beginning of September. We want every child to come on the visit and we will be able to help.

Best Wishes

Neil Wilson
