

# Longworth Primary School

Thursday, 28<sup>th</sup> March 2024

## Message from the Headteacher: Be respectful

We feel we have had a fantastic term at Longworth Primary School. Our assembly on Thursday showcased all the highlights, experiences and moments of curiosity, we have enjoyed this term.

We looked back at our active learning experiences in all subject areas; the educational trips and the curriculum experiences we have arranged to enthuse the children. Next term, we are planning to do it again (but slightly differently) and in the meantime, I wish you the very best of Easter breaks and make sure you do take good care of yourselves and enjoy your family time.

## Badger Class – Great Fire of London: Be curious

Badger Class enjoying reenactment of the Great Fire of London.

## Diary Dates: Be kind

### Monday and Tuesday, 2 & 3 September 2024

Inset Days

### Wednesday, 4 September 2024

Start of Autumn Term

## Attendance: Perseverance

Good News: the school's attendance has been reaching the dizzy heights of 100% on a few occasions lately. Thank you for all your patience and support during the last few weeks.

I hope we have seen the last of the Chicken Pox and, for those who are still waiting, we hope it does not impact on your Easter plans too much if or when it arrives. I wish you all a happy and healthy Easter break and look forward to many happy little faces coming to school every day next term.

## Whole School Trip to Science Oxford: Be curious

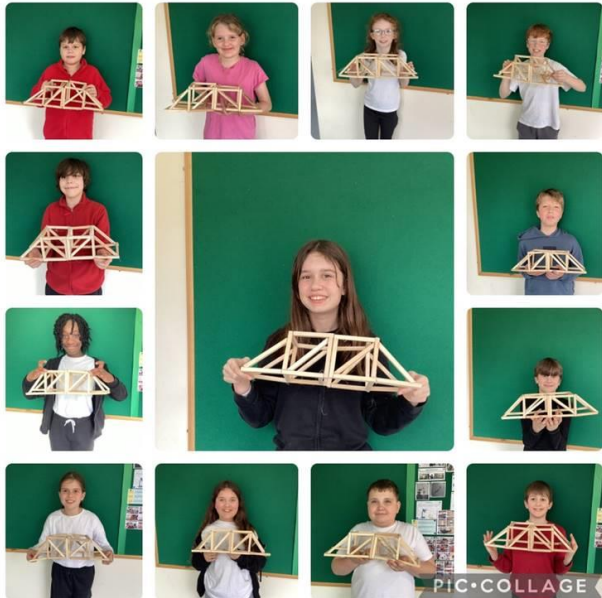

As part of Science Week, we all enjoyed a fantastically interesting day out at the Oxford Science Museum. The children, of all ages, learnt about different scientific topics through hands on experiences. Thank you to all parent helpers and volunteers who joined us for the day.

## Otter Class – D&T: Be respectful

Otters have finished their bridges! Everyone had to measure and cut (using a saw) every part of their bridge. It took perseverance and accuracy to finish these amazing wooden truss bridges.

## Meet the scientists' assembly: Be curious

## Otter Class - Music: Be kind

Otters have continued to learn the violin this term. They are making such good progress. This week Mr Miles brought in a double bass for the children to have a go on.

## Science Carousel: Be respectful

Fox, Badger, Hedgehog and Otter Class showed great curiosity and enthusiasm during our Science Investigation afternoon.

**Good bye to Mrs Lambert ... and thanks: Be kind**

Farewell to Mrs Lambert who, as you already know, is leaving us at the end of this term. Next term, we will have Anna Marlow covering Fox Class for the first half of the week. We have employed a permanent replacement for Mrs Lambert's position who will be starting in September and we look forward to the new children of our school to meet her.

We wish Mrs Lambert all the best for the future.
