Message from the Headteacher: Be respectful

The month of May has provided us with some lovely dry weather which has enabled us to enjoy lots of outside time: including lots of cycling by Hedgehog Class. The children have enjoyed the school being a lot less muddy. It has been a real pleasure to see all the children coming into school everyday and showing how they know how to: Respect themselves; Respect each other and Respect the School.

Fox Cubs – Muffin Man: Persevere

Fox cubs have shown great curiosity this term. We have enjoyed planting fruit and vegetables in our planter. Every week, we have been feeding the plants and looking to see if there have been any changes. We have talked about how we take care of our plants and what helps them to grow. This week our rhyme is, 'The Muffin Man'. We decided to bake some blueberry muffins. The children did this whilst singing the rhyme. Fox cubs showed great sharing skills as well as some great mathematical language and understanding. Well done Fox cubs!

Hedgehog Class: Be curious

Hedgehog class are enjoying making a magazine front cover using desktop publishing software in computing. They are working together to learn how design an eye-catching page layout by inserting pictures and text.

Otter Class cooking: Persevere

Otters spent Monday afternoon cooking a Bolognese sauce. The food preparation and cooking skills from the children were excellent. Cooking is part of the Design & Technology curriculum at Longworth Primary School. It teaches the children where food comes from and the importance of a balanced healthy diet.

Art in Fox Class: Be respectful

We have been learning about the artwork of Wassily Kandinsky. We looked at his famous painting using concentric circles.

We used watercolours to paint our own pictures in the style of Kandinsky. Some of the children have been inspired to create

Fox Class Picnic: Be kind

Fox Class prepared Pizza (Italian), Barbari Bread (Iran) and Samosa (India) for the parents to enjoy.

It was great to see this lovely group of children and parents enjoying this school experience.
