Message from the Headteacher: Be respectful

Thank you for all your patience, cooperation and support during this period of extremely warm weather. It has been a challenge but we are extremely fortunate we have an air-conditioned classroom and plenty of shady spots at school. I apologise for the trip we were forced to cancel and I look forward to seeing you on Monday morning for our rearranged Sports Day. I do hope you enjoy the newsletter which highlights some of the positive learning experiences happening every day.

Hedgehog Class - Hill End Residential: Be kind

Hedgehog Class enjoyed a fantastic night away at Youlbury Scout Camp. A walk in the local area, crafting, games, camp fire, low ropes and delicious food created by the wizardry of Mrs Willetts were appreciated by all. The children delighted in a peaceful night's sleep under canvas too.

Staffing: Be respectful

After 22 years with our school, we say goodbye to Elaine Walton. Her dedication and reliability have been a constant in the office over the years. We thank her for her many years of service and wish her all the very best for the future. We have successfully recruited Kelly Snell to work alongside Pippa Clark in the office and we look forward to her starting her new role in September. Kelly has been an important member of the Preschool Team and will be greatly missed by them.

Fox Cubs: caring for the Environment: Be respectful

Fox cubs have enjoyed exploring our rhyme and story of the week, acting them out and dressing up!

We have been discussing how we keep the ocean safe and what would happen if we put rubbish in the ocean and exploring the effects this has on the ocean and animals.

Fox cubs have been developing some great language skills whilst discussing this.

We have been exploring different ways of mark making using our name cards. And of course looking at our planter and seeing the changes happening to our fruit and vegetables. The children are very excited about the changes they are seeing.

Badger Class trip to Oxford Museum: Be curious

The children enjoyed a fact-filled trip to the Oxford Museum in the Town Hall. This complimented their learning of cities, towns and villages in our locality.

The children learnt about transport through the ages and did some map work to develop further understanding.

The children explored the museum which had many interactive and child friendly activities.
