

Dear parents and carers of Otter Class

Welcome back after half term!

This term we are learning about the Victorians. Otter Class are already amazed at how hard life could be in Victorian London. Please find attached the Knowledge Organiser and Parent Grid for your information.

We are reading Another Twist in the Tale by Catherine Bruton which is a clever sequel to Oliver Twist by Charles Dickens.

On Wednesday 17 December Otters and Hedgehogs will perform their Christmas Concert at the church - 6-7pm.

As Mr Wilson mentioned in his INSET feedback message, Otter Class would like to show you their work from this term. Please come to Otter classroom at 3:10 pm on Thursday 18 December so we can show you our Victorian Museum.

Please continue to listen to your child read every day. This simple step helps your child understand what they are reading, increases their vocabulary and helps with every other subject at school.

Parent/teacher meetings are coming up. Appointments will be available on Monday 17 November 3:30-6:30 pm and Tuesday 18 November 3:30-6:30pm

If you have any questions or queries, please do not hesitate to find me at the end of the school day.

Thank you for your continued support.

Miss P
