## 30 Years and Counting!

**We thank you! It is with your donations and support that we are growing!**

October 2025 marks the 30th anniversary of the Sedalia School District Foundation (SSDF). We thank you for the generous donations and continuous support that have powered our growth and success over these three decades.

**The 2009–2010 SSDF Board members celebrated the opening of the new Smith-Cotton High School, their spirit shining through bright smiles, joined by the Tiger mascot.**

The SSDF was established in October 1995 when Sedalia educators, school board members, and business leaders collaborated to find ways the community could play a greater role in supporting the Sedalia School District #200.

The founders' initial goal was to extend educational resources to staff and offer scholarships to students.

Today, in 2025, the Foundation continues to stand as a reflection of

community spirit, generosity, and vision. Guided for many years by a dedicated volunteer Board of Directors and operating independently of the school system, the Foundation has grown into a strong, thriving organization. We now manage more than 46 scholarship funds, providing over \$86,000 in awards to Sedalia #200 seniors this year alone. Many of these scholarships have been awarded year after year, continuing long-standing traditions of support and encouragement. The Foundation's first scholarship, the Eva Mothersbaugh Memorial scholarship, proudly continues to provide an annual award.

With endowed funds now exceeding two million dollars, hundreds of students have been given the chance to pursue their dreams through the support of donors who believe deeply in the power of education. Beyond scholarships, the Foundation also supports the district through impactful programs such as Mini-Grants, Dual Credit Scholarships, and the Brendan Eisenmenger Student Impact Fund—all helping students and educators reach new heights.

Our mission remains clear: to provide financial resources that stimulate learning opportunities for students, teachers, and staff, including—but not limited to—scholarships, teaching aids, and facilities. It is with your help and support that we are able to fulfill this mission.

In recognition of our 30th anniversary, we invite you to celebrate this milestone by making a gift to the Sedalia School District Foundation. Keeping the number 30 in mind, please consider a contribution of \$30, \$300, \$3,000, or \$30,000.

To make a gift, please complete the Giving Form on page 7 and return it to the SSDF office, or visit our website to explore additional ways to donate.

## Foundation Board Members of the Formative Years

We extend our heartfelt gratitude to those who played an instrumental role during the Foundation's early years. Your vision, dedication, and unwavering commitment laid the groundwork for all that we have accomplished today. We honor your legacy and continue to build upon the path you so thoughtfully began.
