**The Practice**

**SIA Medical**

*SIA Medical was established in 1993 and was founded by Dr Martin Sia in Melbourne's northwest. We have since expanded to 8 clinics:*

- Box Hill
- Burwood
- Croydon
- Essendon
- Footscray
- Moonee Ponds
- Montrose
- Mulgrave
- Berwick

*We service a growing population of diverse patients ranging from families to young professionals and refugees which varies from clinic to clinic. All clinics are fully accredited and with some providing teaching to GP registrars and medical students. Most of our clinics are also complemented with allied health and onsite pathology.*

*At SIA Medical Centre we understand the importance of work-life balance. If you are a General Practitioner with Vocational Registration, find out more below about how we can help you to fulfill your professional and personal goals.*

*SIA Essendon was our very first clinic, and was established in May 1993.*

### **Appointments**

Consultation is by appointments; however, we welcome walk-ins and you will be allocated at the earliest convenience. URGENT medical matters will be dealt with as a priority. Please advise our friendly receptionists if you are experiencing any chest pains or shortness of breath on arrival.

We would appreciate you calling to cancel your appointment as we can then accommodate another patient in need. Every effort is made to adhere to the appointment times; however, this can be difficult due to emergencies and walk-ins or unexpected longer consultations. To ensure we allocate the correct time for your appointment please advise the receptionists when making the appointment that you require a longer consultation (e.g. pap smears, counselling, care plans medicals, postnatal check-ups etc.)

### **Continuity of Care**

We will help you see the doctor of your choice. All evidence suggests that communication between doctor and patient is improved when a good relationship exists between both parties. We recognise it is not always likely to see the same doctor; however, we do encourage you to continue to be treated by the same doctor.

### **Waiting Time**

We have several measures to assist in streamlining the waiting room and improving the waiting room and patient flow in our Medical Centre. Please advise the type of appointment you require when booking, or if the doctor or nurse has advised you to have something completed at your next appointment. Please remind reception on arrival.

### **Telephone Calls**

Phone consultation is by appointments

### **Scripts & Referrals**

It is important that you see your regular doctor for your scripts and referrals.

### **Transfer of Medical Records**

If in the case you require your medical records to be transferred to another medical centre you will be required to fill in a transfer of medical records form and pay a fee of \$25.00 for copying and administration time, anything less than 10 pages will be transferred for free.

### **Interpreter Services**

If you or your family require an interpreter, we can organise this for you. Please let us know when you ring to make your appointment. Alternatively, you can contact the Translating and Interpreting Service on 1300 131 450 directly.

### **Patient Test Results**

Patients are required to return to the clinic for their test results and no results will be given over the phone due to privacy laws. If you have an urgent result, you will be contacted via telephone immediately. To ensure we are able to contact you at all times please ensure your details are up to date when you have a change of address, phone number etc.

### **Recalls and Reminder Systems**

For preventative care and follow up our clinic has a recall and reminder system in place whereby we will contact you by SMS or phone call for a follow up of a care plan, diabetes management, skin checks, mammogram etc. Patients who attend our practice will automatically be on the recall register if you do not wish to be involved in this system please notify the doctor, nurse and reception.

### **Chronic Disease**

Our clinic is committed to supporting patients prevent the development of chronic disease. We offer risk assessments for diabetes, heart disease etc.

### **Health Assessments**

We offer health assessments for over 75, 45-year-old, health check for Aboriginal and Torres Strait Islanders and healthy kids check. Patients that are 45-49 are encouraged to have a health assessment to identify chronic disease and put preventative measures in place.

### **Management of Your Personal Health Information**

Your medical record is a confidential document. It is the policy of our centre to maintain security of your personal health information at all times and to ensure that this information is only available to authorised members of staff. All members of staff at this practice have signed a confidentiality agreement. Please be aware that some practices charge an administration fee for the transfer of patient records.

### **After Hours Care:**

Our bulk billing visiting doctor service operates when the clinic is closed and can be contacted on 13 26 60 (Doctor Doctor). For all emergencies, please call 000 or attend your nearest hospital.

### **Parking**

On Street 1 or 2 hour car parking is available.
