

HORSESHOE BAY 
RESORT JET CENTER™

NOTICE: HORSESHOE BAY RESORT AIRPORT INSTRUMENT FLIGHT PROCEDURES

DATE: **December 31, 2025**

TO: 

SUBJ: Horseshoe Bay Resort Airport KDZB RNAV Approaches, Letters of Authorization (LOA)

Welcome to Horseshoe Bay Resort Airport! We hope you enjoy your stay with us and take full advantage of all the amenities Horseshoe Bay Resort has to offer. For those of you wishing to fly into Horseshoe Bay Resort Airport using the RNAV approach to either runway 17 or 35, this letter will guide you through the simple process required to be completed prior to flying the approaches.

Gary Parker, General Manager of Airport Operations at the Horseshoe Bay Resort Airport (KDZB), authorizes  to utilize the private GPS approaches to both runways 17 and 35.

You will need to request and receive a Letter of Authorization from *your local district FSDO* to fly the Horseshoe Bay Resort Airport RNAV approaches to both runways 17 and 35. Include with your request that you are seeking permission to fly both RNAV approaches to runway 17 and 35 at Horseshoe Bay Resort Airport. Also, provide *your local district FSDO* with your type of operation (part 91, 91k, 135, etc.), the type of aircraft that will fly the approaches (Lear 45, Citation 501, etc.), the type of navigation equipment onboard the aircraft (Garmin 1000/WAAS, Garmin 430/WAAS, etc.), and the registration number(s) of the aircraft that will be flying the approaches.

Finally, establish an account at an *instrument approach chart provider* from which you will receive Horseshoe Bay Resort Airport RNAV approaches.

Thank you for choosing Horseshoe Bay Resort Airport for your travel needs. We look forward to your visit.

Blue Skies, 

Gary Parker, General Manager Aviation Services
