

Clean Gutter Workmanship Warranty

Clean Gutter LLC stands behind the quality of our installation work. Subject to the terms, conditions, and exclusions outlined below, Clean Gutter LLC provides a workmanship warranty on gutter and gutter guard installations performed by Clean Gutter LLC.

1. FIVE-YEAR WORKMANSHIP WARRANTY

Clean Gutter LLC warrants that the workmanship associated with the installation of your gutter system and/or gutter guards will be free from defects for a period of **five (5) years from the date of installation**.

This workmanship warranty covers issues determined to be the result of improper installation or workmanship performed by Clean Gutter LLC.

If a covered workmanship issue occurs during the warranty period, Clean Gutter LLC will, at its discretion, inspect and repair the affected area at no additional charge for labor related to the covered workmanship issue.

2. TEN-YEAR WORKMANSHIP WARRANTY UPGRADE

Customers who have **both a new gutter system and gutter guards installed by Clean Gutter LLC within thirty (30) days of each other** will receive an automatic upgrade to a **ten (10) year workmanship warranty**.

The ten-year warranty applies to both the gutter installation and gutter guard installation, provided both installations are completed by Clean Gutter LLC within the required thirty-day period.

The ten-year warranty begins on the date of the **first qualifying installation**.

3. WHAT IS COVERED

This workmanship warranty covers defects directly resulting from Clean Gutter LLC's installation workmanship, including:

- Improperly secured gutters or gutter guards
- Installation-related separation or detachment
- Installation-related issues with gutter alignment or slope
- Other defects determined by Clean Gutter LLC to be directly related to our workmanship

All warranty claims are subject to inspection and determination by Clean Gutter LLC.

4. WHAT IS NOT COVERED

This warranty covers workmanship only and does not cover defects, damage, or failures caused by circumstances outside of Clean Gutter LLC's workmanship, including:

- Severe weather, storms, wind, hail, ice, snow, or other acts of nature
- Falling trees, branches, debris, animals, or other outside forces
- Modifications, alterations, or repairs performed by others
- Damage or issues caused by the structure, fascia, roof, siding, or other components of the property
- Normal wear and tear
- Improper maintenance or neglect
- Clogging or overflow caused by leaves, debris, or other buildup
- Accumulation of ice or snow
- Changes to the home's structure or drainage system after installation
- Manufacturer defects or failures of materials or products
- Customer misuse or failure to properly maintain the gutter system

Manufacturer warranties, when applicable, are separate from and in addition to this workmanship warranty and are subject to the manufacturer's terms and conditions.

5. GUTTER MAINTENANCE

Regular gutter maintenance and cleaning are important for the proper operation and longevity of your gutter system. Clean Gutter LLC recommends having gutters professionally inspected and cleaned as needed based on the property's surrounding trees and conditions.

Failure to properly maintain the gutter system may contribute to issues that are not related to installation workmanship and therefore may not be covered under this warranty.

6. WARRANTY CLAIMS

To submit a warranty claim, the customer should contact Clean Gutter LLC and provide a description of the issue. Photos may be requested to assist with the initial evaluation.

Clean Gutter LLC may inspect the property to determine whether the reported issue is covered under this warranty. If the issue is determined to be a covered workmanship defect, Clean Gutter LLC will schedule the necessary corrective work.

Warranty claims should be submitted as soon as the customer becomes aware of a potential issue.

7. WARRANTY LIMITATIONS

This warranty is limited to the repair or correction of covered workmanship defects. Clean Gutter LLC is not responsible for incidental, consequential, or unrelated damages resulting from a covered or non-covered condition.

This warranty is provided to the **original customer** and applies to the property where the qualifying installation was performed. It is **not transferable** unless otherwise agreed to in writing by Clean Gutter LLC.

Clean Gutter LLC reserves the right to inspect any reported warranty issue and determine whether the condition is covered under this workmanship warranty.
