

QUALITY IV CARE

HOME INFUSION & COMPOUNDING PHARMACY

Staff Pharmacist, Infusion Pharmacy

Quality IV Care-Cheyenne | Cheyenne, WY | Full-Time

About Us

Quality IV Care-Cheyenne is a specialty pharmacy providing compounded sterile preparations and clinical support to patients receiving therapy at home and in our in-office infusion suites. We work closely with prescribers, nurses, and patients to deliver safe, timely care.

A Schedule That Fits Your Life

Enjoy a true work-life balance with a consistent Monday-Friday, 8:30 AM-5:00 PM schedule with on-call coverage one week per month. You'll have your evenings, weekends, and holidays to spend with family and friends, which is rare in pharmacy.

A Supportive Team and Leadership

You'll join a collaborative team of pharmacists who share clinical questions, back each other up, and learn from one another. Our upper management is engaged and accessible, invests in the pharmacy's success, and supports you with the resources, training, and guidance you need to do your job well.

What You'll Do

- Verify and dispense infusion, parenteral nutrition, and specialty medication orders accurately and in a timely manner
- Verify and dispense oral and infusion medications for Hospice patients
- Review prescriptions for appropriateness, dose, compatibility, and interactions
- Oversee sterile compounding operations in compliance with USP <797> and <800>
- Counsel patients and caregivers and coordinate with nursing and prescribers
- Support clinical monitoring, including labs, therapy adjustments, and adverse event follow-up
- Supervise and train technicians and maintain accurate documentation
- Participate in quality assurance and regulatory readiness

Qualifications

- PharmD or BS Pharmacy from an ACPE-accredited program
- Active Wyoming pharmacist license, or ability to obtain one before start date
- Infusion, sterile compounding, or hospital pharmacy experience preferred; new graduates considered with training provided
- Strong attention to detail and communication skills
- Comfortable working with technicians, nurses, and prescribers

What We Offer

- Competitive Salary
- Health Insurance or Stipend
- Retirement Contribution
- PTO and CE support
- Flexibility and Work-Life Balance
